

Dear Friends,

Thank you for participating in this year's Garden Party. Your support makes it possible for Fox Valley Volunteer Hospice to provide the best in compassionate services to persons with life-threatening illnesses and the bereaved. As we begin our 30th year of service, our supporters are more precious to us than ever. Whether it is the gift of time, as a volunteer, or the gift of money, as a contributor, it is the support of the community that makes it possible for FVVH to help people in their time of need.

A grand event such as Garden Party is only possible because of the hard work of a committed group of volunteers who commit their time and talents to making this event an enormous success. I want to thank each member of the committee for their dedication and recognize Kathy Melone and Jan Miller for their leadership and creativity.

This year we will have a special live auction to support one of our signature programs.... Grief Takes a Hike. This program provides families who have experienced a death loss of a close relative the opportunity to come together in a supportive setting to experience the therapeutic value of nature. I hope you will help support this important program. If you would like more information regarding Grief Take a Hike please seek out a FVVH staff person or check out our website at www.fvvh.org. Thank you again for your support and enjoy the party!

About Fox Valley Volunteer Hospice

FVVH is a community-based, nonprofit organization dedicated to serving those with life-threatening illnesses and the bereaved. We were founded in 1981, and have served more than 15,000 clients and their families. FVVH serves all of Kane and Kendall counties, and parts of DuPage, Cook and McHenry counties.

A Unique Approach to Care.

Our healthcare professionals and network of extensively trained volunteers provide the best in compassionate services for those with life-threatening illnesses and the bereaved. Our team approach includes social, emotional and spiritual support that is tailored to the needs and wishes of the client and their families.

Highlights of our services are:

- All programs and services are available free of charge, regardless of income status.
- Our team of nurses and social workers are available 24 hours a day.
- Distinct from Medicare hospice, clients may opt to pursue treatment and continue to receive our services.
- Emotional and spiritual support is provided by a team that includes trained volunteers who have excellent listening skills and who are experienced in working with families facing loss and grief.
- Licensed clinicians provide emotional support and extensive community referrals.
- Spanish-speaking volunteers and translators are available for all services and programs.

Help for Those with Life-Threatening Illnesses.

FVVH provides support and short-term counseling for those with life-threatening illnesses and their families through our We Care program. And, because we do not receive Medicare or insurance payments, patients can continue to seek active treatment. FVVH not only provides an alternative to expensive medical care and equipment, but provides the client and their family support on a continuing basis, creating a comfort level that is non-existent in a medical or nursing care facility.

Help for the Bereaved.

The death of a loved one can be a devastating experience, and for some, it can be difficult to carry on with everyday life. To help the bereaved cope with the pain of grief and put control back into their lives, FVVH offers a range of services, including an individual care program, short-term one-on-one counseling, referral to resources, and support groups. FVVH has extensive experience in dealing with children on issues surrounding death. Through our work in schools and grief support groups focusing on families with children, our staff helps the young cope with their feelings surrounding death and loss.

We also offer specialized group support, including groups for parents who are coping with a miscarriage, ectopic pregnancy, stillbirth or newborn death; groups for those who have lost a spouse or significant other; for men who have lost their partner; and for survivors of suicide.

Our Volunteers.

Volunteers are a vibrant and integral part of FVVH and we provide an extensive, ongoing volunteer training program. Most of our volunteers are out in the community, working with terminally ill clients and their families, or with the bereaved, following the death of a loved one. They act as compassionate listeners, group facilitators, and translators. We also have volunteers working to help us accomplish our mission in the capacity of community outreach, clerical help in the office, and assisting with special events. In addition, we embrace unique talents that our volunteers have, and work to incorporate those talents into our volunteer program.

Raffle and Silent Auction Rules and Regulations

Forms of payment accepted: Cash, Checks, Visa/MasterCard

No exchanges or refunds on raffle basket items, raffle certificates or silent auction items are permitted. All items are sold or raffled “as is.”

The buyer waives any claims for liability against Fox Valley Volunteer Hospice (FVVH) or the donor of the item or services purchased. Neither FVVH nor the donor is responsible for any personal injuries or damages to property that may result from the use of items or services sold.

Please note that certain items may have restricted use or other qualifications which may affect value, application or use to the buyer. Specific dates for the use of certain raffle and auction items are stated or must be arranged between the donor and winning bidder or raffle winner.

Value set forth for raffle and silent auction items are donor assigned.

Winners of baskets and auction items with values ranging from \$600 to \$4,999 will be required to complete an IRS form W-2G at the Garden Party Checkout Table before picking up items. FVVH will mail winners copies of W-2Gs at the end of the 2010 tax year. Please check with your personal tax advisor as to the tax deductibility of items.

Raffle items must be picked up by 5 p.m. on the day of the event or winner must make arrangements with the Q Center.

Silent Auction Bidding

The silent auction will open for bidding at 10 a.m. and close at 12:30 p.m. sharp.

All items in the silent auction have bid sheets attached. If you wish to bid, please write your name, table number and bid amount. Each increase in bid must equal or exceed the minimum increase figure stated on the sheet in order to constitute a valid bid. Bids will be disqualified if the minimum raise is not met. Each new bid must be written on the next available blank line on the bid sheet.

A bid is a legal contract for purchase. The highest bid at the closing of the auction wins. In the event of a dispute, the parties involved will submit their highest bid to the silent auction chair on paper, who will then award the auction item(s) to the party with the highest bid. FVVH reserves the right to remove any item, at any time, from the silent auction.

NEW TO YOU! New this year, you’ll see a few Silent Auction items labeled *NEW TO YOU!* The previous owners of these items have donated them in the hopes that they will find a new home with you. Enjoy!

BUY IT NOW!

That special item can be yours by signing the BUY IT NOW section at the bottom of the bid sheet. When you do that, the bidding stops, and the item is yours! Please inform a Silent Auction worker so the bid sheet can be retired.

Silent Auction Winner Distributions

Winner will be notified at their lunch table.

Checkout will occur in the designated silent auction checkout area. All items are to remain in the silent auction area until checkout process is complete and winner receives cashier’s receipt verifying payment of items.

Payment may be made by personal check, cash or Visa/Mastercard payable to Fox Valley Volunteer Hospice (your personal check or cash saves us credit card fees!).

Basket and Live Auction Winners

Proceed to the Checkout Table.

Basket Raffle Winners: After filling out the appropriate paperwork, be sure to pick-up any gift certificates at the next station that are part of your basket. Then drive your vehicle to the pick-up area (circle driveway) where items will be loaded into your car.

Live Auction Winners: After filling out the appropriate paperwork, pick up the certificates and/or tickets that you’ve won at the next station.

2011 Garden Party

10 a.m. to noon

- o Gathering, meet, and greet your friends
- o Check out and bid on all of the fabulous SILENT AUCTION items
- o Look for our raffle ticket salesmen to purchase your tickets for a chance to win one of the amazing BASKETS and for the raffle salesmen, who are selling 50/50 raffle tickets
- o If you want to avoid writer's cramp, visit the Label Table (just down the hall from Check-In) where we'll print labels for your use on raffle tickets

Noon: Luncheon and program begin

12:30: Silent Auction bidding and Basket Raffle close

12:55

- o Silent Auction winners notified at your table as bid sheets are processed; winners may proceed to payment tables
- o Program continues, including Hospice story by Bonnie and Kendall Waltmire
- o Auction to support *Grief Takes a Hike* conducted by John Gawlik and Scott Piner from Fox Valley Live Repertory Theater at Pheasant Run
